Development application at O'Connor shops WITHDRAWN

Earlier this year there was notice of an intended change of purpose of the lease for a significant portion of O'Connor shops to allow a development for "entertainment purposes". Rebecca on behalf of the Parish lodged an objection and numbers of parishioners who are local residents also signed objection petitions. Advice has now been received from the ACT Planning and Land Authority that the Development Application has been withdrawn. A great success for the consultation process and our democratic system!
