KEY POINTS FROM JULY PARISH COUNCIL MEETING

The Parish Council has begun a review of the mission projects we support. The projects at the international, national and local levels have remained the same for many years. If you have suggestions or thoughts on missions, please pass them to a Parish councillor. We will complete the present funding cycle and the results of the review will be presented to the next AGM.

The ACT Deafness Resource Centre is helping churches to install hearing loops. The loop connects to the PA System. The Parish Council has decided to accept an offer for a free two week trial. Adequate advance notice will be provided of when the trial will start.

Research has been completed on the proper specifications for disabled ramps to facilitate entry to the church and quotes are now being obtained.
