KEY POINTS FROM JUNE PARISH COUNCIL MEETING

The Parish Council has again discussed the way to develop “a multi-year plan to build and grow the Parish and its mission” as set out in the Covenant between Rebecca and the Parish.

It is establishing a Planning Group to facilitate the process, which will hold its first meeting later this month. Further information on the process, how it will evolve and the ways in which parishioners will be able to contribute will be provided by the end of June.

The Council has now decided not to participate in “Back to Church Sunday” this year. On reflection, it considered that, with all the demands on the Parish at the moment, it would not be possible to run a properly organised program and attend the Diocesan training courses, which take place in July.

A Garden and Cleaning Working Bee will take place on 26 June. The aim is to undertake a good mid-year clean of the church, to remove the autumn leaves, to clear Pandora's gutters and to clear and re-mulch the perimeter garden beds along MacPherson and Moorhouse streets in preparation for spring replanting.

God of life, you put in human beings
the imprint of your image and likeness
and made us to participate with you in your creation.
Forgive our incapacity to respect and protect life in all its forms.

God of justice, you call us to travel this path
which is the only route leading to true peace.
Forgive our daily acts of injustice
which condemn many, many persons to death
by hunger, exclusion and war,
and lead us to the abyss of endless violence.

God, incarnate in history,
forgive us because we imprison you in our dogmas,
limiting you to our religious institutions
and crucifying you alongside the vulnerable of our time.

O God, strengthen us in our daily work for a world more just,
accepting differences, built on diversity.
And renew our commitment to peace with justice.
